DEPRIVED OF HER FATHER

EXCLUSIVE BY ANDERS LARSSON
 anders@tindlenews.co.uk

AN Axminster woman has accused the Home Office of depriving her daughter of a father.

Aynsley Jones met and got married to an Ethiopian man when working there.

Their daughter was born in March this year and the family planned to live in the African country.

But their daughter, Tigist-Ella, became ill and a doctor has advised them not to live in Ethiopia.

Aynsley's husband applied for a resettlement visa to the UK but was turned down and Aynsley has branded the situation as absurd.

Sudden end of flight for town Swans

AN Axminster pub has suddenly ceased trading.

A notice of forfeiture was placed in windows of Swans in West Street on Friday, October 16th.

The notice was signed by Beviss and Beckingsale, solicitors for property landlord David Reginald John Prosser.

The notice informed that "in forfeiting the lease, David Reginald John Prosser reserves all of his rights against Nicholas John Ellery, Graham John Ellery and Barbara John Ellery and against any other occupier".

The notice also informed it is Mr Prosser's intention to re-let the premises as soon as possible.

Elderly lady A35 injury

AN elderly feamle suffered an ankle injury when trying to cross the A35 at The Old Inn, Kilmington.

Rescue services were called at about 2.20pm on Friday, October 9th.

Police said the lady was struck by a car and suffered what is believed to be a broken or dislocated ankle.

Boiler leak is made safe

They were called just after 7.15pm and units based in Axminster and Chard attended along with a Transco team.

LOW OUTPUT FOR FESTIVE LIGHTS DISPLAY PROJECT

BY ANDERS LARSSON
anders@tindlenews.co.uk

THIS year's Christmas lights display in Axminster may come as a disappointment to some, chamber of commerce chairman Shane Morgan warned.

He was talking about the lights display organised by the chamber but said, rather upbeat: "We have to take one step back to take two steps forward."

As previously reported, the chamber has spent anything between £2,500-3,500 a year

on rented lights. But at its October meeting, the chamber decided to start building up its own supply of festive lights.

Ten modern LED light fittings will be bought this year at a cost of £250 each, and the aim is to add a number of fittings each year until reaching an appropriate number.

But it will mean a small-scale start and there will be no light strings across the streets this year.

The good news is that, following a previous *Pulman's View* article, one town resident has donated £250 towards one light fitting.

A donation of £50 from a local business has also been received and the chamber has been given permission to stage a Christmas lights fund collection outside Tesco on Friday, November 13th and Saturday, November 14th.

Anyone, business or individual, interested in sponsoring a light fitting — or making a donation — can visit Mr Morgan at Morgan York Estate Agents or call 01297 33375.

*Christmas lights displays organised by Trinity House and other organisations are separate to that of the chamber and will not be affected by this decision.

◆ AN Apple Day was held at Musbury Village Hall on Saturday, with various activities and competitions throughout the day. A demonstration of cider-making from apples from the village was taking place outside the hall

Charity bra recycle plan

TRINITY House in Axminster has launched a bra recycling service.

The initiative will raise vital funds for charity and provide a supply of much-needed bras for women in developing countries.

Any bras that are not suitable for re-use, will be recycled for their fabric.

Additionally, Trinity House will actively support Wear It Pink Day on Friday, October 30th, a day designed to raise money for Breast Cancer Care.

Staff in all departments and the coffee shop will be dressing in pink.

Day-long PACT focus operation

BY BEN MIDDLETON
ben@hindlenews.co.uk

POLICE in Honiton were out in force on Wednesday last as part of a day-long operation focusing on concerns raised through Partners and Communities Together (PACT) meetings.

Residents in the town have been putting their concerns to officers during regular PACT sessions. The results from the sessions have been analysed and a neighbourhood improvement plan for Honiton was formed.

The police then work with partner agencies, including the fire service and local councils, to try and solve any problems that have been highlighted.

Among the problems targeted by the force was anti-social driving, speeding and motorists driving whilst using a mobile phone. The stop a thief campaign, aimed at making farms and properties in rural areas more secure, was also on the agenda.

Pulman's View joined police whilst they carried out their checks as part of Operation Everest last Wednesday evening.

Hotspots for gatherings of boy racers in Honiton include Silver Street, Dowell Street car park, Tesco car park and Heathpark.

Whilst this newspaper joined the patrol one incident was recorded and youngsters were given a warning about modifying their vehicles.

PC Jo Arundale, of Honiton police, said: "We are getting a lot of issues of boy racers in the town. Sometimes there can be up to 30

vehicles travelling in a convoy through Honiton. A lot of the youngsters cruise from town to town and they are not all from Honiton. Under section 59 we can issue a warning to the owner of the vehicle, if they don't act on this warning we can then seize the car."

PCSO Barry Redford said: "Sometimes we get lots of youngsters gathering other days we will get absolutely no-one. They don't tend to stay in one place and are always on the move. It can be a cat and mouse game trying to catch up with them."

During the operation PC Clive Vickery and PCSO Phil Anning were in the rural Honiton area handing out advice to business owners and residents.

PCSO Anning said: "In rural Honiton over recent weeks there had been several incidents of criminal activity in the area of Dunksell Industrial Estate. Scrap metal was stolen, a vehicle was stolen, premises were broken into and various items including a computer tower and car diagnostics were stolen. More recently £1,000 of damage was caused to a caravan on the estate."

"In order to raise awareness of these crimes and to offer help and advice the rural neighbourhood advice team spent the morning visiting businesses on the industrial estate."

"The morning was a great success with over 100 businesses now visited and many signing up for Business Watch messages and registering keyholder details with the Devon and Cornwall Constabulary."

Celebs join new showbiz firm in huge expansion

BY ANDERS LARSSON
anders@hindlenews.co.uk

A COLYTON-BASED company has acquired a Liverpool theatre school, setting the ball rolling for a massive expansion.

Back to Broadway is run by Colyton residents Mike Bearcroft (MD) and his wife Sue (operations director) — both with a solid showbiz background.

Back to Broadway produces a touring show each year with songs from many famous musicals.

The aim is "to produce a spectacular, colourful production" and performers are drawn from television, the West End and beyond.

Back to Broadway has also staged musical theatre schools during summer in various parts of the UK, including Colyton.

The summer schools have proved so popular that the Bearcrofts have decided to set up a network of schools running throughout the year.

Mr Bearcroft said: "More and more people said 'what a shame you can't run it all year round'."

But change is underway as the company has acquired TREAD Theatre School in Liverpool.

Mr Bearcroft explained: "We acquired TREAD and trademarked

TREAD International, and our intention is to have 50 TREAD schools in the UK and possibly look further afield."

The existing school in Liverpool will remain and the first phase of expansion involves Colyton, Taunton, Leicester, Hereford and Manchester.

In Colyton, the enterprise will be based at the grammar school and Mr Bearcroft hopes to be up and running at some point in January although, depending on various circumstances, he may have to wait until Easter.

The summer schools will continue to run as usual.

TREAD was set up by actors Helen Noble (ex-Hollyoaks), Graham Tudor and Sarah Jayne Dunne.

Helen and Graham have leading roles in the 2009-10 Back to Broadway show, which is about to go international.

There will be a performance in Sidmouth on November 28th and another one in Felixstowe on December 13th.

But in between (from December 5th-10th) the show can be seen in Monterrey, Mexico.

Six performers, a technician and a manager will travel out on December 3rd. More details about Back to Broadway are available online at www.backtobroadway.co.uk.

Behaviour is being tackled

POLICE in Honiton say they are tackling anti-social behaviour in the Oaklea area of the town.

A month-long, high-visibility operation was carried out and officers were regularly on patrol, when they were available.

Residents in Oaklea had also complained about motorists who have been parking their cars on the estate to avoid pay and display charges in the town and PC Ian Atyeo said this issue had also been investigated.

He said that a number of motorists had been told to move their vehicles because they were causing minor obstructions. He added that unless the vehicles were untaxed or had defects there wasn't a lot police could legally do.

Dogs shot in woods found

TWO dogs have been found shot dead in Shute Woods.

Police were alerted in the morning of Wednesday, October 14th by a dog walker who came across the dead animals.

Officers attended the scene and found two "bulldog-type" dogs shot dead.

It is not clear if the shootings have anything to do with previously reported problems of sheep being killed by dogs in the area.

Nobody has complained to police about having two dogs missing, and nobody has reported shooting dogs in the area.

Hit-and-run driver hunt

THE driver of a car involved in an accident in North Street, Axminster, is sought by police after failing to stay at the scene.

Two cars were involved in the accident at about 3.23pm on Friday, October 23rd.

Witnesses said there were three young males in the car which failed to stop.

The car was later spotted on a breaker's truck and seized by police.

The inquiry is ongoing but there had been no arrests at the time of going to press.

Police search for naked men team

AXMINSTER police are studying CCTV footage to try and identify a number of men who upset garage staff by storming in naked.

The bizarre incident took place at Kilminster Cross Services at about 6.45pm on Wednesday, October 14th. A mini-bus pulled up and five naked men emerged and entered the shop.

The men selected adult magazines, which they placed on the counter before going back to the mini-bus and leaving the site.

Police believe they travelled in a hire vehicle and may have belonged

to a football or rugby team.

It may have been intended as some sort of practical joke, but Axminster sergeant Pete Trudgeon said: "But it was not deemed to be funny by staff. Police need to speak to them [the men]."

The incident is currently treated as sexual exposure, according to the sergeant.

Anyone with information that could help investigators is asked to call 08452 777 444 and ask for Axminster police.

The incident reference number is KA/09/531.

LOCAL ANIMAL CHARITY SEEKS A SPECIAL VOLUNTEER

The East Devon Branch of Cats Protection is a large and busy branch and has grown considerably in recent years. The Branch has a terrific team of volunteer fosterers and fundraisers, dedicated to the welfare of needy cats but what is urgently needed now is a volunteer Co-ordinator, or team leader.

This could be a man, a woman or a couple who like to be kept busy, have good communication and leadership skills and, of course love cats.

The Co-ordinator acts as the focal point of the Branch, and is the liaison between Branch volunteers and CP Headquarters staff. Helping to plan future activities and recruiting new volunteers is also part of the job, as is ensuring the inevitable paperwork is kept up to date.

There are real rewards in helping people by helping cats and if you would like to share those rewards, please contact 080 800 191919 (option 1) or go to the Cats Protection website on www.cats.org.uk and complete a Volunteer recruitment form.

MENTAL HEALTH UNIT SUSPENSION IS 'DISGRACEFUL'

Hospital friends group calls for dementia unit to reopen

BY BEN MIDDLETON
ben@findlenews.co.uk

THE decision to temporarily suspend the services of a specialist dementia unit in Honiton has come in for strong criticism from GPs and councillors in the town.

Services at The Bungalow have been shut down since March this year — following the completion of roof repairs — and now Honiton Town Council is calling for the unit to be reopened urgently.

The Bungalow is managed by the Devon NHS Partnership Trust and health chiefs were present at last week's town council meeting.

A review of mental health services across the county is currently being undertaken by the trust.

Vic Bowsher, chairman of the Honiton Hospital league of friends, said he could fill the unit twice over.

He said: "I have been working with people who have dementia for 25 years and I have been involved with The Bungalow for 24 years. I

have seen it get run down and run down and in my opinion it has been run down on purpose.

"This is a disgraceful situation," Dr Phillip Courtney, of the Honiton surgery, said: "The Bungalow provides a fantastic service to people in a difficult situation. I'm not sure we have the resources to replace such a superb service."

Dr Janet Ward, also of Honiton Surgery, added: "We are seeing families struggle and The Bungalow has done an excellent job. It would be a shame if it goes."

Peter Halse, district councillor for Honiton, said he was deeply concerned about the situation.

"Everyone in Honiton will hear what has been said in this meeting tonight with deep concern," he said.

"The people of Honiton value the service of The Bungalow. The population is becoming more and more elderly and more and more people are living longer. Incidents of dementia will be greater not less.

"Closing a purpose-built facility is more than disappointing, it is horrifying."

Town councillor Alf Boom added: "What about the knock-on effect?"

"People will now turn to the hospital instead of The Bungalow. Dementia doesn't stand still and people can deteriorate very quickly. Unless you (the trust) get this right it is going to make life a misery for carers of people with dementia and their wider family."

Councillor John Ayres said: "People with dementia tend to be elderly and that means their partner will usually be elderly. Traveling to get a service will be a problem. We should get The Bungalow up and running as soon as possible."

John Rom, the trust's director of policy and partnerships, said The Bungalow is likely to re-open in the New Year, however, he couldn't give an exact timescale.

Mr Rom also apologised on behalf of the trust for not informing councillors and the community of the unit's suspension.

He said: "It is not sensible to commit to immediately reopening The Bungalow while a review of services is ongoing. I understand the points made but services move

on and a demand on services will change. It makes sense not to rush.

"It is fair to say that the trust wasn't clear. The service is suspended and no decision to close will be taken without wider consultation."

Mayor Vivienne Ash has asked the representatives from the trust for a written response to questions raised during the meeting.

She said: "Clearly there has been a lot of concern expressed and I personally don't feel a lot clearer in being able to find a positive way forward. I understand what you are saying, that The Bungalow is suspended, but, to us, it comes across as closure.

"I think it would be best if you could come back to us at the next town council meeting with a written response answering some of the questions that have been raised."

Devon county councillor for Honiton, Sara Randall Johnson, blasted the decision and is hoping to get it called in at county level. She said she wanted questions to be answered in front of a panel at County Hall.

Best carved pumpkin to win contest

THERE will be spooky goings-on at a village toddler club this month as Hallowe'en looms.

Membury Parent and Toddler Group is holding an autumn coffee morning on Saturday, October 31st during which a Best Carved Pumpkin Competition will take place for the children.

Youngsters can bring along their carved pumpkin entries to the village hall before 11am on the day for judging.

There will also be a kids' colouring competition to accompany the sale of tea and coffee, a cake stall and tombola.

The event will take place at Membury Village Hall from 10am-12noon, contact 07590 453347 for information.

TV crew bid to open pub

THE Yarcombe Inn, Yarcombe, will open its doors again.

A film crew from UKTV was in the village on Thursday, October 15th, to explain a project to a crowd of more than 70 people. The team from UKTV has successfully reopened four other pubs around the country by setting up committees of local volunteers and funding the first month's trading.

Following the meeting, several people put their names forward to form a committee with a large number volunteering to assist in any way possible.

The pub is due to reopen on Thursday, October 29th.

Job losses as motor dealership goes bust

A PEUGEOT dealership in Honiton has gone into administration, with the immediate loss of jobs.

Staff at the Renwicks site, Monkton Road, were told of the news on Thursday evening.

This newspaper attempted to contact the centre on Friday but the doors were locked and only an answerphone message was available.

Renwicks also has another site on the Marsh Barton Industrial Estate, Exeter.

Talks are ongoing to establish whether a buyer can be found for the Exeter business.

Accountancy and insolvency experts Grant Thornton has been brought in to carry out the administration process.

A spokesman for Grant Thornton said: "We had to make a large number of redundancies simply because we couldn't keep the company trading in the normal way because of the level of losses it has been accruing."

"The company has been losing money for a while. It's been working hard over the last couple of years to restructure itself by reorganising its business and recently it sold its Plymouth franchise to Vospers."

Customers who have paid deposits for cars are asked to contact the administrators at the Marsh Barton showroom. For more information contact 01392 206206.

KATE ERIN MEW

Readers' lives

APART from the types that always like to have a moan — you know the ones — it's usually good to hear feedback from our readers.

It is nice to know that, for one, someone is reading my column, and two, that they enjoy reading it and the paper.

I was sent a brilliant card earlier this year which deserves particular mention. An avid *Pulman's View* reader and member of Axmouth WI, Hilary Mabon, sent me a fabulous card to express her appreciation for the paper. On the front of said card was a black and white photograph of a lady in, I would say, 1950s housewife attire pointing a smoking hand gun. The caption reads: "Gerry gives the wrong answer to 'Does my bum look big in this?'"

It did make me chuckle and it now takes pride of place on my desk to cheer me up when newspaper life gets a bit sticky.

I received a letter from another lady reader from Honiton last week. This story is not so light-hearted, I'm afraid. The lady wrote to tell me of a recent supermarket shopping trip. Not so interesting, you may think. Read on.

As she went to get a trolley from the designated area — the type that you have to put a pound coin in to enable you to release it from its line-up — a 'gentleman' was bringing his trolley back after using it. She said to him not to worry to put it back in and that she would take it from him. She gave him her pound coin to reimburse him for the one that would have been in the trolley she was taking from him.

Following her shop, she went to return the trolley back to the trolley park and was astonished to find that there was a fault with said trolley and there was no pound coin in it. The 'gentleman' who gave her the trolley must have known there was no coin, she thinks, but still he had taken hers.

Yes, we are in a recession but that's taking the biscuit! She — and now I — wonder what sort of world we live in where a person cannot be truthful and feels the need to steel one pound from a fellow supermarket shopper. Tut, tut. The lady shopper wonders whether this may be a new scam or just a mistake, but she'd like to warn fellow shoppers to be aware.

On a brighter note, I'd like to share with you a great picture sent to me from a lady in Seaton. Since I am feeling a little deflated about my forthcoming 30th birthday, this made me feel much better. These four ladies meet on a regular basis to play tennis — and their collective age is over 285 years! Three are over 70 and they play throughout the year in Seaton's Seaford Gardens, two or three times a week, together with a few 'youngster' in their fifties and sixties! Janice Booth, of Seaton, sent the photo to me with the caption: It's never too late! I'm sure you'll agree, they don't look their ages.

Keep them coming, readers!

Group's bid to bring park back to former glory

BY ANDERS LARSSON
anders@tindlenews.co.uk

A GROUP called Cloakham Skaters has been formed to bring a facility back to its former glory.

The skatepark at Cloakham Lawn Sports Centre in Axminster was opened only a few years ago with a grand ceremony featuring various dignitaries.

But it currently looks like a tired and broken inner-city sink estate facility despite its lush surroundings.

The major feature, known as a half-pipe, has big holes in it and is fenced in.

Other features remain accessible but some provide nasty challenges — as explained by 15-year-old Tom Chubb, who said: "You can't really ride the ramps. One has a hole the size of my foot."

A few years ago a number of youths expressed a desire for a skate park and Cloakham Lawn Sports Centre offered the land.

Andrew Moulding, of Cloakham Lawn Sports Centre, attended the opening ceremony but has seen the facility decline rather rapidly.

He explained they were told at the time that the skatepark couldn't be fenced off, because it is on a flood

plain, by the Environment Agency.

As a result, people on motor vehicles like motorbikes and mopeds could access the site and cause damage.

Vandalism in general has also been a major problem and the situation was dire when a group of youths and some of their parents got together to reclaim the skate park.

Members are aged 12 and upwards, and Mr Moulding said the aim is to raise the required money to repair and upgrade the features with sturdy material — and provide some sort of concrete bollard and chainlink barrier.

Vehicle access was an issue when *Pulman's View* visited on a Saturday morning as a company working on the

nearby railway line had parked a van and a light pylon in the skate park.

Tom Chubb said that another company had driven a van across the half-pipe a few weeks ago before it was fenced in.

Mr Moulding was not happy and spoke to the site foreman. There appeared to have been a misunderstanding as provision has been made for parking at Cloakham Lawn, although not in the skatepark.

Members of Cloakham Skaters have already met with skatepark installers and fundraising efforts are underway.

Anyone wishing to join or support the group in any way can call Mr Moulding 01297 553 865 for more information.

BUSINESS LINKS OVER BREKKIE

HONITON Community College held its first Business Breakfast on Friday, October 2nd.

Nine local employers took part in the event.

A spokesman for the college said: "We all identified some additional enrichment opportunities and it was clear that both employers, teachers and students value business links."

"Businesses are keen to work with young people as their future customers. Equally, students can benefit from more

relevant working life preparation to develop these transferable skills essential for future employment.

"Academic achievement is important, but employers are also looking for those softer social skills such as teamworking, effective communication, reliability and a positive determination to do well."

The town's businesses that took part where Complete Meats, WH Smith, Warrens Bakery, Devonvale Ltd, NuHeat, Co-op, Boots, the Met Office and Lloyds TSB.

Birthday surprise for Shane

AXMINSTER Chamber of Commerce chairman Shane Morgan had a nice surprise at the organisation's latest meeting.

The meeting coincided with Mr Morgan's 45th birthday and fellow members had organised a cake featuring the chamber's new town logo.

The cake was made to order by Lynsey Neal, of Sugarfix, in Wilmington and Mr Morgan is photographed making the first cut.

Witness gives £10K reward to rape victim

BY BEN MIDDLETON
ben@tindlenews.co.uk

AN Ottery St Mary man has donated £10,000 to the victim of an Exeter rape.

Lloyd Gardner was given the money after he provided vital evidence to officers investigating the offence that took place in July 2006.

Mr Gardner, 22, saw CCTV footage of a man wanted in connection with the rape and spotted two women he knew on the film.

The women led police to rapist Jakub Tomczak.

Mr Gardner said: "I was told I was entitled to a reward because I gave police the lead they needed as I recognised the two girls and through them detectives were able to track the man down."

"It was a difficult decision to make because it is a lot of money but I

didn't feel like I deserved it at all.

"With the state that the girl was in after the incident, I really felt that it would go towards making her life a lot better over the next couple of years."

He added: "I know that it was the right thing to do. I am happy with my decision."

After the attack Jakub Tomczak fled to Poland. Four months later he voluntarily gave a DNA sample to local police at the request of UK officers.

The sample was analysed and was found to match the DNA profile taken from semen found on the victim.

He was brought back to the Exeter and stood trial at the Crown Court before being repatriated to Poland after his conviction.

Mr Tomczak is currently serving two life sentences in Poland.

Cars give up road space to cycling lane

CARS will have less space on Axminster's Traftalgar Way because of a combined footway and cycle way.

The formal name of the new feature is The Stop Line Way, part of The National Cycle Route.

A spokesperson for Devon County Council explained: "Work is scheduled to start on Monday, October 26th and will involve narrowing Traftalgar Way to six metres width for the provision of a nominal two metres wide, shared footway-cycleway on the north side."

"The work is expected to take approximately six weeks to complete."

"Traftalgar Way will not be closed but temporary traffic signals will be used."

The Stop Line Way is part of National Cycle Route 33, which follows the historic World War Two defences from Weston-super-Mare to Seaton.

A partnership of local authorities, comprising of Devon County Council, Somerset County Council, South Somerset District Council, North Somerset District Council, Dorset County Council, East Devon District Council, Sedgemoor District Council and Taunton Deane Borough Council are working with Sustrans to complete the scheme.

The first phase of the Seaton to Colyford section has already been constructed.

The spokesperson added: "The section of the Stop Line Way along the Axe Estuary, has received £1.8million of funding from Devon County Council with the aim of having the whole route, particularly the key section across Devon, substantially completed in time for the 2012 Olympics."

Army funds in collection outside store

A THREE-DAY collection at Axminster's Tesco branch raised £810 for The Army Benevolent Fund.

Tesco employees dressed in green and combat uniform on October 9th, 10th and 11th when the collection took place.

Tesco Axminster branch community champion Kath Rabjohns said: "Tesco would like to thank all their customers for the support in helping us to raise this wonderful amount."

Pool bulldozed in the name of 'regeneration'

EDITOR — I wonder if I've missed something somewhere? Having tried to follow the volumes of material about the Seaton 'regeneration' in your pages, nowhere have I seen the mention of a swimming pool.

Until last December, Seaton was blessed with a luxury, heated affordable bathing pool at Lyme Bay Holiday Village.

It was used extensively, on a regular basis, by holiday makers, visitors and local people, summer and winter, at a very modest price.

It was a more comprehensive facility than either Sidmouth, Honiton or Axminster as it included a fitness centre, a Jacuzzi and a sauna bath, and an extensive spacious pool.

Alas, in the name of 'regeneration' it has now been flattened and bulldozed away, with no sign of a replacement in the foreseeable future.

How can it happen, in a seaside 'resort' where visitors have little to do on wet days, that a perfectly good, modern, up and running (not to say essential) swimming pool can just be destroyed?

Surely politicians and councillors at local and national level could have

prevented this by a preservation or compulsory purchase order, at least in the short term, to somehow retain this facility in working order until a solution could be found.

It beggars belief that the taxpayers will now be required to pay for a new one at some stage.

It should also have been obvious to the Tesco empire that its preservation by them would have resulted in a massive PR and goodwill benefit, and probably profit.

We are all supposed to be getting fit these days, and using the car less. Sadly, the only option now, as the sea gets colder and rougher, is an expensive car ride to Sidmouth, Honiton or Axminster where a swim costs nearly twice as much as it did at Seaton, and is not half as pleasant.

Call for residents to have their vote

EDITOR — An open letter to EDDC Democratic Services Officer, Mr Christopher E Holland.

Regarding the Sainsbury's vs Tesco fiasco which took place on September 15th.

Your reply to my letter to Councillor Diviani stated that "the result could not please all parties —"

May I suggest that the decision certainly did not please the main party, which in this case was surely the vast majority of the people of Seaton?

The EU did not get a satisfactory (in their view) answer when the Irish voted for the first time so they decided to get a second bite at the voters.

May I throw down the gauntlet at

the feet of the Development Management Committee and strongly suggest that they do the same and allow Seaton residents the same chance?

All that is required is a simple form with two squares on it. One to be ticked for Tesco and one to be ticked for Sainsbury's.

The form should be signed by the person filling it in and returned to EDDC.

This would ensure that the vast majority of the residents get what they want and not the wash out that occurred on September 15th.

The gauntlet lies there. Your next move!

Shelterbox details

Monopoly: it's the same in my county

EDITOR — As a frequent visitor to Seaton and Sidmouth, I read Mrs Duckworth's letter published on September 29th.

I wholly agree with her because we've had the same problems in my area. We come under the East Dorset District Council and it made me smile as nothing differs from county to county.

When I come on holiday to your area I have to go to my local Sainsbury's before leaving.

Much to the horror of my husband a quarter of the car is packed full of Sainsbury's food because I refuse to travel to Exeter for the nearest Sainsbury's.

Why is it that Tesco always gets the monopoly? Even Weymouth and Bridport are the same, no Sainsbury's.

Despite my comments, it won't stop us from visiting your beautiful part of the south west coast.

EDDC, think towards the future.

The Jurassic coastline alone will attract more and more visitors so if you want to see Seaton prosper and improve its outlook to attract more

visitors don't let money talk, let companies like Sainsbury's move in not only for the locals but also to help improve your beautiful seaside town.

UKIP makes unitary call

EDITOR — Readers would, by now, know of the near farcical goings on concerning Tesco vs Sainsbury's and the end result.

One of the policies of my party, UKIP, is to bring in local, binding referenda to settle contentious issues like this one.

In this case, all the evidence suggests that the majority of Seaton people would have preferred Sainsbury's.

All this highlights the trend in government at all levels for government to become more and more remote, for democracy to be eroded, I note that no councillors from Seaton were involved in the planning vote.

If Devon were to become a unitary council this remoteness would be increased.

A more extreme example of this remoteness is the issue with lightbulbs, where an inferior product compared to the traditional product is being imposed on us by unelected people from other countries.

Note to Abbotts, this EU directive has now been shown to have a dubious legality.

Apology to artist group

EDITOR — East Devon Branch of Alzheimer's.

Unfortunately we made an error when thanking the Seaton Arts Society for the cheque we received for £3,500 (letter published week before last).

The cheque was in fact from East Devon Artists for Charity for the money raised from the exhibition held in Seaton. We apologise to Ursula Pratt and her team for this error.

Ursula worked extremely hard to raise this money in fact she works hard every year raising money for different charities. On behalf of East Devon Branch of Alzheimer's thanks to East Devon Artists for Charity for the very generous cheque.

Store decision means the end for the visitor centre

EDITOR — The end for the visitor centre.

In approving the application by Tesco for a supermarket East Devon District Council also guaranteed that if a visitor centre is ever built in Seaton it will rapidly fail. The visitor centre's business plan is based on having a cafe to help cover its running costs. The nearby cafe in the Tesco supermarket will make it far more difficult for any visitor centre to cover its cost.

In comparison Sainsbury's were

prepared to forego a cafe and shoppers in their store would have been encouraged, by its proximity, to go to the visitor centre for lunch.

The Tesco supermarket also damages the outlook from the tramway and puts at risk the major tourist attraction left in east Devon.

While the supermarket may persuade a few residents of Seaton to shop in the town rather than in Tesco in Axminster or Honiton, the profits from this will not stay in the town but will go to Tesco's shareholders.

There will also be a wonderful new tourist attraction in the form of the wetlands.

I'm afraid the failure of the recent Wet and Wild weekend to attract more than a few handfuls of visitors shows that this appeals to very few visitors.

One has to ask — why is East Devon District Council so determined to destroy the economy of Seaton?

If they really believe the arguments they put forward for 'regeneration' they must be totally incompetent.

We will now have a regeneration

site consisting of two mounds of reclaimed sand — one topped by a supermarket and one — perhaps, eventually — by skyscraper blocks for the unemployed. A competent planning authority would have worked to develop alternative uses for this land. Seaton will have no boulevards, no workshops, no playing fields, no tourism — and no democracy.

Direct, honest and fearless pair still work for the town

EDITOR — How gratifying to see that, despite all of the scheming, manipulation and malicious incitement from some quarters, Sandra and James Semple will still put everything they have into working for Seaton.

Whatever your personal opinion, what you see is what you get, direct, honest and fearless. Seaton, not power or reputation, is their driving force and first priority.

Within this town, there are

wonderful, dedicated and honest people who spend many hours tirelessly raising money and doing good works for the people, and for the love of Seaton. There are also those who quite justly and democratically exercise their right to voice an opinion if they genuinely cannot agree with policies or decisions.

However, there are those in Seaton who move from group to group, spreading poison and unrest, so that they may gain the power they so

desperately crave. I don't have to mention their names, because they all know who they are.

They surface from time to time to issue some fairly convincing propaganda, but then drop back below radar. They waste time, energy and their lives in the pursuit of sabotage and spite. They are not working for Seaton, they are working for themselves. What is almost farcical is the fact that even amongst them, there is deep and bitter conflict.

To the masterminds and their puppets, I hope that you remember the old saying "what goes around, comes around", and to those whose sincerity and effort is overshadowed by such pernicious behaviour, another saying, "all bullies are cowards".

Let's hope that by depriving these people of the oxygen of power, Seaton can work together, for Seaton.

Does Anders think he's in Wild West?

EDITOR — In the Reporter's Shoes by Anders Larsson.

Who and where the hell does Anders Larsson think he is? Does he think he's in some Wild West town and that he's swaggering down the dusty street with his hand on the holster of his six guns?

The tone of his article had the most patronising feeling to it with many remarks that could have been offensive to many groups of people.

I believe that he is a reporter based in the town of Axminster and as such should have given an honest account of what was a very successful event in the local calendar with thousands of local people enjoying a very well organised and supported activity.

If his main aim was to report on the issue of a few troublesome teenagers causing minor problems he should have played down this aspect in his article and treated the subject with the seriousness that it deserves.

I hope that Anders doesn't get the opportunity to write about this local community until he has a genuine, unbiased opinion to impart.

A mother's anguish as Ethiopian husband is denied UK citizenship

BY ANDERS LARSSON
anders@tindlenews.co.uk

AN Axminster woman says the Home Office is depriving her daughter of a father.

Aynley Jones travelled to Ethiopia in February 2008 to be a teacher trainer and English co-ordinator for Volunteer Services Overseas (VSO) at Wollega University in Nekemte.

At the university she met an Ethiopian man, youth co-ordinator Yordanos Teferi and they soon formed a relationship.

They fell in love and got married on

July 4th, 2008 in Nekemte.

But Aynley had to come home in December when she got pregnant because VSO was unable to find insurance cover for a pregnant woman.

Their daughter, Tigist-Ella, was born in Exeter on March 24th, 2009. Yordanos came over on a six-month tourist visa just after the birth and they registered their daughter together at Honiton.

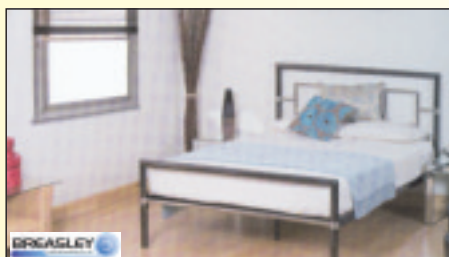

Yordanos went back in early May to his new job in public relations, and the idea was that Aynley should follow in the near future.

'DISSERVICE TO MY BABY DAUGHTER'

She said: "I was going back to live there."

But something wasn't right with Tigist-Ella, who became ill. Aynsley says doctors struggled to find out what the problem was and Yordanos applied for a two-year probationary resettlement visa to the UK. He has studied at university level in English, so speaks the language well.

Aynsley stressed that this type of visa does not entitle the holder to seek asylum or benefits, so there was no ulterior motive with the application.

Yordanos applied, with his mother-in-law as a sponsor, but was turned down despite the Home Office accepting he would not need taxpayers' money for support.

A Home Office official wrote: "The paragraph clearly points to the need for the two persons involved to satisfy the rules personally without reference to any third parties.

"You have submitted no evidence to show the current income or financial circumstances of your spouse or that she is in a position to support you financially since your mother-in-law is

EXCLUSIVE

sponsoring you.

"Although I accept that you will have no need to have recourse to public funds, I am unable to satisfy myself that you will be able to maintain yourselves adequately without third party support."

They enlisted the help of MP Hugo Swire, but to no avail.

Their daughter didn't get better and ended up in intensive care before it was established that she suffers from a dairy allergy.

In correspondence, seen by *Pulman's View*, a British Embassy (Addis Ababa) doctor tells Aynsley that Ethiopia is "not the safe place of choice to live" for a child with a milk allergy.

This is because emergency treatment may be difficult to access and anti-allergy medication supplies could be unreliable or even non-existent.

Aynsley says Yordanos can reapply if she finds her own accommodation and a job with an income that would satisfy

Home Office criteria.

But Aynsley, who lives with her parents, says she would have to relocate to find a job with the required income, which is not manageable under current circumstances.

Circumstances would, of course, change if her husband was here, and Aynsley said: "We are both educated to degree level and I can't see why we couldn't find work.

"We are willing to do anything. The whole situation is absurd. The Home Office separates families for no good reason. It is a disservice to my daughter. I'm an adult and can handle things but it is not fair to her to deprive her of her father.

"My husband is quite depressed, not having seen his daughter since she was six weeks old.

"He has not been able to care for her, he missed her sitting up for the first time and taking food for the first time.

"He has missed out on so much

development."

When asked if she shouldn't have thought of all this beforehand, she replied: "I got married in Ethiopia and was happy to live there with my daughter. But things changed when my daughter became ill."

As it stands, according to Aynsley, they have three options if they want to live together as a family.

They can take their sick daughter to Ethiopia and live there or find a Masters programme for Yordanos in an EU country, which would give him the right to be in England after six months.

The third option is, according to Aynsley, "win the lottery".

Pupils' and parents' tour

YEAR six pupils from Offwell Primary School took a tour of Honiton Community College recently.

The youngsters and their parents were invited into the college as part of the 'Working Tours' initiative set up by new headteacher Glenn Smith.

Mr Smith said: "We invited year six students and their families to visit the college and join one of our working tours."

"This gave everyone a first-hand insight into the working life of the college."

"Feedback was really positive and we will definitely make this a regular event."

"Indeed, because the public response was so good we intend to further opportunities to visit during the rest of the academic year."

Bookstart Bear's visit

YOUNGSTERS from Honiton's Littleton Primary School were treated to a visit from the Bookstart Bear as part of National Bookstart Week.

The primary school pupils took a trip to Honiton Library on Tuesday last where they were introduced to Bookstart Bear.

The aim of National Bookstart Week is to encourage people to spend more time reading.

Balloon's trip to France and back

AN Axminster balloon has completed a round trip to France.

Cinnamons Indian Restaurant, Axminster, handed out balloons on carnival day.

Excited children released the balloons into the sky, and it seems at least one of them made it all the way to France.

Sharz Miah of Cinnamons had a surprising letter the other day.

"I couldn't understand it and thought someone was playing a joke," he said.

But when he saw the balloon he realised what it was all about and a customer helped to translate.

It transpired that someone in Saint-Germain-sur-Ay, on the west coast opposite Jersey, had found the balloon and sent it in the post to the restaurant.

Sharz said: "Maybe I should write back and offer a curry on the house."

TONY JACKSON

Lookback at guide's Lyme

AS I will be escaping to South Africa for two weeks from October 15th, our revered editor, the fair Kate Mew, has enjoined me to make sure I write my copy well ahead and so, casting about for a subject for this week, I turned to a little gem of a book, Ward Lock and Co's Shilling Guide to Lyme Regis and South Dorset.

This book was, I suspect, published around 1904 or 1905 for though there is no publishing date, in the opening reference to Lyme Regis there is mention of the fact that "Until the opening of the branch line from Axminster in 1903, this cosy little town was six miles from a railway station. Now it is only three-and-a-half hours from Waterloo".

There was, too, a seven-mile railway line linking Lyme Regis to Axminster and the main line to Exeter, a line which had about six trains daily, running through Combyne where there was an intermediate station, but apparently the entire engineering project provided considerable difficulties on account of the chain of hills, 450 feet above sea-level, which surround Lyme.

The Cannington Valley Viaduct, we are told, was over 200 yards long, and the parapet was 95 feet from the ground at its highest point. Yet for many folk in those distant days the horse and carriage was still the principle means of locomotion and the guide tells us that the long ascent from the "cosy little town" to Hunter's Lodge Inn was very much "collar" work for the horse or horses, while the descent into Uplyme demanded constant attention to reins and brake.

Lyme Regis itself was, we are advised, enjoying a flourishing and fashionable existence a century before Bournemouth was even thought of, while as far back as 1750 the little town was a rival to Bath so that by 1800 the principal occupation was to provide accommodation for visitors thronging there every summer.

The Assembly Rooms drew a glittering clientele, while card parties and dances took place every evening, despite protests from a Puritan element of the town. But by the end of the 19th Century it would seem that indoor attractions and entertainment had been replaced by bathing, a dependence on the cliff scenery and some modest sea fishing, though the Assembly Rooms and Victoria Hall remained.

The Cobb was then, as it is now, a major attraction, forming a pleasant promenade along its 870 feet, and had, and presumably still has, acoustic properties similar to whispering galleries where the wall curves, provided there is no one else standing near or against the wall. Has anyone, I wonder, noted this?

There are several photographs of Lyme taken from The Cobb and one can see that a century ago the town was little more than a cluster of buildings around Broad Street, with only a scattering of houses on the wooded hillside while the sea-front promenade facing east, from The Cobb again, had virtually no buildings or frontage, simply a sandy beach and a railed promenade backed by a steep bank.

How times have changed! For though the guide describes the seven-mile Undercliff walk to Axmouth and Seaton and one can well believe that there has been virtually no alteration or change in the scenery, the enterprising visitor prepared to walk would have discovered that Seaton was itself little more than a village, boasting only golf links and a shingle beach; indeed one almost gets the impression that Axmouth, itself a tiny village, was even more substantial than its coastal cousin. And why not, indeed, for Axmouth was once a flourishing seaport and only fell from commercial significance when the bar at the mouth of the Axe became silted up.

Another glimpse into our recent past next week.

View from
the churches

With Nigel Speller

LAST week, we gave some information about the links of churches in Devon with Christians overseas, and in particular with four separate areas.

This week, we start with a reminder, to ourselves, that here in east Devon we are only a small part of churches in the county, and there are many other local church resources provided by the churches for those who need a particular ministry. First comes the chaplaincy services provided at our hospitals and homes. In east Devon we have chaplains for all the local hospitals and when we need to go outside our area to Exeter there is a full Chaplains Department, of which I can speak most highly personally during my recent spell in hospital.

For those who need a specialist ministry, there is an Exeter Deaf Church which meets at the Palace Gate Centre, and has its own chaplain.

Turning to public services, the fire and rescue service, the police and the prison service all have appointed chaplains who serve those groups. The next large group comprises universities, colleges and schools, all of which have chaplains and are often members of the staff of their establishments.

Some groups which receive support from existing clergy are the Scouts, St John Ambulance and the Royal British Legion. From these groups we move to the chaplains to the Armed Forces, Royal Navy, Army and Royal Air Force, all of which are usually serving members with particular units.

So there is a lot of church support outside east Devon parishes for those who need it. Details of many of these specialist chaplaincy services are in area telephone directories and others will be known to the local organisations.

There are a growing number of people who are searching for answers and turning to the church to find them. In September, thousands of people nationally decided to join an Alpha Course, and Alpha in Axminster has seen people coming along to ask searching questions about the Christian faith.

On September 27th, many thousands of people accepted the invitation to a Back to Church Sunday, including people in Axminster and east Devon as participating churches each saw an average of twelve people respond. But church services on a Sunday are not everyone's cup of tea, so the time has come to start offering an alternative! In Kilminster, there's an army of people willing to come to a very different sort of church, called Messy Church.

St Giles's Church and Kilminster Baptist Church have combined resources and skills to plan a monthly Messy Church. As school ends, parents are encouraged to bring their children to Kilminster Village Hall. There they will be greeted with snacks, refreshments and drinks. Having registered, they then go through to a range of 12 different activities, with paint, glue, cooking, sticking and making things (this is where Messy Church lives up to its name). After the craft session, it's through to St Giles's Church for a short interactive time of singing, listening and talking to God. Then it's back to the village hall for a proper cooked meal served to tables where families can eat together. Children take home their crafts, having learned something new and enjoyed a fun session.

There is no charge for this "service", though an opportunity to make a contribution to costs is provided. And the number of people attracted to this sort of church is growing. In just four sessions the

attendance has grown from 77 people to 126, and shows no sign of slowing down.

Messy Church met again last week, on October 14th, and to book a place for future events on the second Wednesday in November (11th) you need to contact Lucy on 01297-631464 or email lucy.darrell@gmail.com.

Street pastor schemes are appearing in many parts of the country, where church leaders of all denominations, lay or ordained, contact those who may feel excluded or marginalised, in clubs or pubs or on the street, and try to meet them on their own terms. The idea started in Lambeth in 2003 and has now moved to Devon and is reported to be responsible for very impressive reductions in crime over the past half year. For further details see September 2009 issue of Church of England Devon.

Church events in east Devon this week include at Colyford Church on Wednesday, October 21st at 10am a chance for coffee and a chat. On the afternoon of the same day the Friends of St Andrew's, Colyton, hold a tea dance in the town hall starting at 2pm and preceded by a short lesson. On Saturday, October 24th at 10.30am in the Village Hall, Branscombe Church is holding a coffee morning for funds.

Family Nights begin on Monday, October 26th in the URC Church Hall, Axminster, with a quiz set by the minister. Rumours that a detailed knowledge of the bible or bus and rail timetables will be required are completely unfounded! More from the URC next week including the annual remembrance service on Sunday, November 8th at 3pm.

Looking ahead to November, the season of memories, there is a memorial service for departed loved ones at Colyton Church on Sunday, November 1st at 6.30pm and the names of those to be remembered may be written on a list at the church.

Harvest meal and an animal carving comp

THE October meeting of Musbury and Whitford WI was held in Whitford Village Hall on Tuesday, October 13th.

It was the harvest supper and members were welcomed and birthday posies given, apologies were taken.

One member said that she had been to visit Anne Sweetapple, who was very pleased to see her.

A record of the September meeting was available, and was duly signed. Final arrangements were made for the autumn council meeting in Torquay were made, Jean Fullerton to be the delegate.

Names were also taken for the group meeting which was held in Beer on Wednesday, October 14th at the Dolphin Hotel.

The competition was for a plate of brownies.

The entry for this competition was won by Carolyn Perkins, unfortunately members were not allowed to taste the delicious-looking brownies.

Next month is the annual meeting and members were asked to consider standing for committee as there will

be two vacancies.

Ideas were asked for Christmas entertainment. Arrangements for a birthday lunch on Tuesday, November 17th at Lakeview Manor were made and members chose their menu.

Resolutions for next year's annual meeting in May will appear in WI Life. Everyone was asked to bring their (completed) ballot slips to the next meeting so they can be sent in one envelope.

The group then proceeded to the Harvest Supper, which started with several delicious varieties of homemade soup, followed by homemade apple pies and cream.

The whole of which was most ably served by the committee, and the VOT was given by Audrey. Following this there was an animal carving competition, with garden leaves for decoration. The items made were amazing, how can people think up such things, given a carrot and a potato?

The annual meeting, with wine and nibbles, is on Tuesday, November 10th at 7.30pm at Whitford Village Hall. After what had been a very full evening, the meeting closed 9.30pm.

A Japanese treat for the ladies to try

THE first speaker of the autumn at the Royal British Legion Women's Section Uplyme was Shigeaki Takezoe — a charming young Japanese gentleman who had come to talk about the food of his culture and the preparation thereof.

This was possibly a first for Uplyme but as he is married to an English lady and lives in Chideock, it is not all that surprising.

After showing pictures of some of the scrumptious-looking meals he prepares, he then set about demonstrating just one of the many small dishes which comprise a traditional Japanese meal.

Seaweed is often used in the recipes, but not as we know it.

He produced what looked like a small sheet of dark paper (similar to that resting on top of a box of chocolates) and spread on it rice that was infused with delicate flavours.

Cucumber was then put on top and the 'paper' rolled up to make a cylinder. This he cut into bite-size peices for the audience to sample. It was deemed delicious.

At his invitation, two of the ladies tried their hands at making it — and very good they were too.

There was lively audience participation with questions coming thick and fast. It really was a most fascinating afternoon and quite a lot was learned about Japanese food and culture.

Regulated by the Solicitors Regulation Authority

The Land Registry wants your land registered...so much so that it has pledged to have all land in England and Wales registered by 2012. Approximately 35% of land in the West Country is unregistered and the Land Registry only has three years left to realise its ambition!

What is Voluntary Registration?

Registered titles provide up to date records of who owns a particular property or piece of land and include details of any rights which the property benefits from and any obligations or requirements which the property is subject to. Whenever unregistered land is sold, mortgaged or transferred (amongst other things) that land has to be registered, but it is clear that this requirement alone will not see the target reached by 2012. The Land Registry is therefore encouraging voluntary applications for registration by offering reduced fees, but there are many other benefits of registering your property.

The Benefits

- Registered titles are guaranteed by the state. When you sell (or transfer) your land the individual buying it can be certain of its ownership and this makes for a more straightforward transaction, saving time and effort on all sides.
- Registered titles are kept electronically and unlike unregistered title deeds, cannot be lost, damaged, or destroyed. It can be a costly business to prove your ownership if unregistered title deeds are missing or damaged.
- Registration simplifies and reduces costs for future conveyancing transactions and assists with fraud prevention.
- An application for voluntary registration can be an excellent opportunity to review the property holdings of an estate, confirming the extent and nature of your ownership or revealing problems. This can give you time to protect your interests and put matters right for the future.
- Registration provides a clear and reliable statement of the boundaries of a property and reduces the potential for boundary disputes between neighbours.
- If your land is unregistered it can be easier for a squatter to stake a claim without your knowledge. Once your land is registered you are automatically notified of such claims and given time to challenge them before it's too late. Registration can therefore be crucial for large estates or second homes where it might be impossible to monitor encroachments with the degree of accuracy and regularity required.
- The costs of registration in the future are expected to rise. Acting now could save you money in the future.
- Registration will also protect some interests, such as franchises or manorial rights, which will lose their protected status by 2012 if they are not already registered.

If the Land Registry is unable to reach its target through voluntary means, the compulsory registration requirements may well be extended. For most property owners planning ahead is likely to be the cheaper, safer option in the long run.

If you would like to register your land voluntarily or wish to discuss your particular circumstances with a solicitor to decide how best to proceed please contact our Agricultural and Rural Affairs Team through any of our Devon and Somerset branches or by emailing kate.stamp@everys.co.uk or carinna.parsons@everys.co.uk

Firefighters respond to pre-school

COLYTON-BASED firefighters responded in style to a letter from Shute Little Acorns Pre-School.

One day a fire engine suddenly appeared at the pre-school. Not because there was a fire to deal with, but to give the children a special treat.

The children couldn't believe their luck and pre-school leader Amanda Churchill-Deam explained: "Colyton fire officers came along in response to a letter I wrote about a child's interest in fire engines."

"They spoke to the children about their uniform, and they tried on the hat to discover how heavy it was."

"We then had a tour of the engine and one little boy was very keen to know if they had an axe on board like the one he had got at Legoland the weekend before."

"The children were very excited about the visit, and the next day we had many fire engines brought in from home."

"Tracey from the fire brigade ended by talking to the children about keeping safe on bonfire night."

"Our thanks to Tracey and David for coming along to Little Acorns."

Project cash

A COMMUNITY project in Honiton has received a grant of £1,500.

The money will be used to help restore and maintain the Glen and has been put forward by Stanley Smith UK Horticultural Trust.

Youths' challenge raises dirty money

MONTHS of training paid off when an Axminster police team took on the Royal Marines Commando Challenge at Woodbury Common on October 11th.

As previously reported, Axminster police invited youngsters aged 16-21 back in May to become part of the team and have regular training sessions leading up to the event.

At the time PC Kev Bennett promised that participants would get very wet, cold and dirty — and he was true to his word.

All 18 team members were in need of a good wash after completing the gruelling course, which consisted of a two-mile run, a three-mile obstacle course and another two-mile run.

They worked their way through steep terrain, mud, water, water tunnels and more.

The Axminster team consisted of 11 youngsters, four police officers

— PCs Kev Bennett, Darren Herridge, Andy Brock and Sergeant Pete Trudgeon — plus three other brave persons aged over 25.

They were split into three groups based on fitness levels, but started at the same time.

PC Bennett was in charge of the 'elite' team and said it was a very enjoyable day.

"I thought it was a truly fabulous event. We have raised a fraction over £2,000, which is to be shared between Devon Air Ambulance Trust and The Royal British Legion."

"Great fun was had by all and we will be doing it again next year," he said.

PC Bennett added that everyone finished the challenge with a big smile on their face, albeit a very muddy and dirty one.

He also expressed gratitude towards the Axminster branch of Tesco for allowing a collection which raised £914 — almost half of the total amount.

◆ NEWLYWEDS Emma-Jane and Mark Marfe

Marriage in Gibraltar

THE marriage of Emma-Jane Rigby, daughter of John and Lesley Rigby of Uplyme, and Mark Marfe, son of Charles and Carmen Marfe of Gibraltar, took place at the Roman Catholic cathedral of St Mary the Crowned, Gibraltar, on September 12th.

Emma-Jane, who was given away by her father, wore an ivory dress — Monte Carlo, by Romantica of Devon — with added motifs of Honiton lace as "something old" and carried a bouquet of pink and white roses with miniature purple irises.

The three bridesmaids, school friend Helen Brown, university friend Sarah Morton and groom's sister Annie Marfe, wore dresses from the LK Bennett summer collection in turquoise, purple and fuchsia pink respectively.

The bridegroom was

accompanied by best man Owen Smith. The ushers were Ben Ravveney, Robert Lomax, Alfredo and Ramon Vasquez and Frederic Demeulenaere.

The cathedral service was attended by 150 guests and the reception was held at the San Roque Country Club in Spain.

While the guests were transferring from the cathedral to the reception the couple took advantage of the stunning location to have photographs taken in the Alameda Gardens, Gibraltar airport runway and the beach at La Linea. Unfortunately, the planned honeymoon in Mexico had to be cancelled owing to the flu outbreak but they spent a few days at Soller in Majorca.

Emma-Jane and Mark live in London where Mark is a solicitor with Lovells LLP and Emma-Jane is the client relationship coordinator for the same firm.

Laces Footwear

Laces Footwear- A shoe shop with a difference where you'll get genuinely friendly and helpful service from experienced assistants who won't pressure you in any way to make a purchase.

In fact Shirley and her assistant Mary would much prefer you to leave the shop empty handed than to leave with a doubtful purchase. Shirley would like the public to feel free to take a look inside and browse at their leisure without feeling afraid of being approached and pestered by pushy sales assistants. One of her pet hates when shopping herself.

The shop displays a wide range of the ever-popular 'RIEKE' brand, which has sold extremely well in the recent hot spell of weather. 'ARA' shoes and sandals are a close second in sales figures. Plus there are still a few remaining 'ECCO' which are reduced in price.

'CROCS' are ever popular and customers that have tried the cheaper alternatives have found that they don't compare to the original CROCS, so they are returning for the real thing again. There will be another delivery soon!

The Manor House

The Manor House, a grade II listed building, is a residential home for 15 elderly in Seaton, East Devon. The home is a short walk from the town centre and seafront.

The proprietors live on the premises which they feel helps to ensure that high standards are maintained. The home has recently undergone an unannounced inspection by our regulators, the Care Quality Commission (CQC) and has been awarded a 3 star rating demonstrating excellent standards. The Manor House has a cheerful homely atmosphere. Visitors often remark on how they are made to feel welcome at all times. There are well-trained staff on duty day and night. The Manor House has a small garden at the front and a courtyard garden at the back with a fish pond, bird feeders and often the resident dog and cat.

Our aims are to provide high standards of care, promote independence and to enable residents to live life as they choose. Residents are encouraged to follow their chosen pursuits and we provide a variety of entertainment such as quizzes & games. There are trips out around town and to the seafront and trips out in the charabanc. An activities/exercise organiser visits once a week. We have frequent visits from musical entertainers. Residents are encouraged to follow their chosen religious beliefs and a clergyman gives a communion service once a month. We always encourage residents to become involved in local events such as exhibitions at the town hall, sea front fetes and the carnival. We have a visiting library service. It is our policy to provide fresh high quality food from local providers. We cater for special diets such as vegetarian or diabetic etc...

We have fifteen single rooms, all fitted with a wash basin. Nine of the rooms also have an en-suite toilet. Residents are encouraged to personalise their rooms with their own belongings including small items of furniture if they wish. Each room is fitted with a Nurse Call system.

In order to ensure that the placement is suitable, prospective clients are encouraged to visit the home with their relatives prior to admission. The proprietors will also visit the prospective resident at their present accommodation. The first month after a resident is admitted to the home is a trial period to see if the resident is happy and to ensure we can provide the level of care required.

On admission a care plan will be made with the involvement of the resident and their relatives - this emphasizes the resident's potential to manage their own lives as independently as possible and to exercise their freedom of choice. Care plans are reviewed monthly or whenever there is a change in resident's care needs.

Fees vary depending upon the level of care required and whether the room has ensuite facilities. Fees include all care and accommodation costs, food, drink,

heating, lighting and laundry. They do not cover the costs of newspapers, magazines, hairdressing and dry cleaning.

THINKING ABOUT MOVING IN THE SPRING?

Lots of people are. However, next Spring may not be the best time. We all know that Spring is traditionally the best time to sell but that may not be the case in 2010. Many people are considering selling because they see the market picking up and most of those people think that it's not worth putting their house on the market now with Christmas and winter approaching...BUT...there is a huge demand at the moment and lack of supply so we are selling out of property. If everyone waits until Spring, then there could be a flood of property onto the market which will mean more property than buyers. That may cause prices to fall again and property could take much longer to sell. So, if you are getting ready to move, maybe now isn't such a bad idea. We have a demand for individual homes of all kinds in good locations: cottages near the towns, rural property with acreage, period homes. Give us a call for honest advice with no obligation.

Oh yes, it's Ladies Night

◆ THE Inspirations team intend to make Ladies Night a really special event

THE Ladies Night pamper evening will take place this Friday 23rd October at the Throgmorton Hall in Dunkeswell from 7pm.

Emma and her team from Inspirations would love to see everyone supporting this event as it has taken a lot of organising and hard work from the team, local people and local businesses to make it happen. All profits are going straight back into the community (Dunkeswell preschool and the community hall), and all the people involved have kindly given up their own time to support the event. We would love it to be a great success for all involved.

So if you are free on the evening and you fancy catching up with friends or family and treating yourself to a little bit of pampering why not purchase a

ticket for only £10, or come on the night and purchase a ticket for £12.50 on the door. If you have children and you're worried about babysitters why not bring them along we won't mind and you will not be disappointed!

It is going to be a fantastic way to start a weekend and a great way to finish a long hard stressful week.

Tickets include a free drink of your choice and a raffle ticket (for which

there are currently more than 20 prizes kindly donated by local businesses) and a chance to sit, relax and watch the makeovers and demos taking place throughout the evening. Also there will be a chance to start that Christmas shopping, which is always a bonus, with the numerous stalls on the night.

Emma would like to add that tickets can be reserved and paid for before

the evening and picked up on the night. For more information or to purchase tickets call inspirations on 01404 891133. They are also being sold at Leaf Street in Honiton and So Clothing in Black Lion Court, Honiton.

If you don't already know Inspirations offers professional hairdressing within a unique, relaxing friendly atmosphere with an enthusiastic great team to look after you. They

also offer wedding hair service, late night openings, free parking directly outside, beauty, stand up sunbed, and lots more.

Emma said: "I know that everyone will get the personal touch that they truly deserve when they visit my salon and not only on the first visit...for as long as you keep visiting my team will keep delivering." The Inspirations team consists of Emma, Holly, Kaylee and Dee.

A Christmas Carol as you've never seen it!

SEATON Drama Group are proud to announce (by popular request - of course!) the return of the Farndale Avenue Townswomen's Guild to Seaton Town Hall. Those who were lucky enough to witness the visit of the Martians to Farndale Avenue in June 2007 will remember the mayhem caused to, and by, the Guild members. This time their "Dramatic Society" will be attempting to perform 'A Christmas Carol' - with hilarious results.

Performances in Seaton Town Hall from Thursday 19th to Saturday, November 21st at 7.30pm. Cabaret style seating. Tickets at £7.00 are available now from Animal Botanical, Queen Street, Seaton, telephone 01297 20404.

Honiton Slimming World session time changing

THE Honiton Community College Slimming World group is about to change its session time. The group is held on a Tuesday evening currently at 5.30 pm but from Tuesday, October 20th this will be changed to a 6.30 pm start. Sharon Grove has been a Consultant for Slimming World in Honiton for five and a half years now and is keen to help more members achieve their goal weight losses. Sharon says "If you've never been along to one of our groups before then this is a fantastic opportunity to come along and see for yourself. I have had so many people ask me if it's like "Little Britain" and of course I have to tell them it's nowhere near - we have fun in group, there is no humiliation and everything is confidential, we've got some fab weight losses - we have members who have made an enormous difference to their lives by losing the weight on a healthy but generous eating plan.

If you don't know about the Slimming World Food Optimising Plan Sharon says "The members enjoy their eating plan as it enables them to eat unlimited quantities of what we call 'free food'. What you can eat freely depends on whether you follow our green or original plan. We also now have a new plan which really is extra easy. Many of our new members become concerned that they can't possibly lose weight if they are allowed to eat so much food, but it's true, you really can eat as many free foods as you like and still lose weight." For more information contact Sharon on 01404 41513

The comfortable bar at The Wheelwright

Runners up at the Great British Pub Awards, **THE WHEELWRIGHT INN**, Colyford are planning to go one better next year.

The Wheelwright Inn travelled to the Great British Pub Awards evening in London last month where they were finalists in the Best Food Pub category.

A seven-strong team from the pub showed they were the best in the west having won their regional phase of the competition but finished runners-up at the national awards.

Despite not going all the way

joint licensee Gary Valentine was very pleased and is already looking forward to having another crack at it next year.

It was the first time the pub entered the competition making the achievement even greater. Gary said: "It's good for the first year to achieve this.

"It gives us new hope for next year and we will see if we can win it.

"The awards ceremony was at the Park Lane Hilton and it was a superb night."

Honiton bowls : AXE VALLEY RUNNERS

Good news first, Trevor Pipe, Honiton's Men's Singles Champion, has won his first round in the Champion of Champions competition, and the Indoor season has started well with wins in all our first five friendly matches.

Ottery St Mary were beaten 119-51 with our top rink of Eileen Dommett, Roger Wilcocks, Bernard Tomkin and Eddie Sharman scoring 44-9.

Next game against Budleigh Salterton was a close match, Honiton winning by 80-70. Our top rink were Rosemary Hirons, Chris Nex, Janice Sharman and Ken Clarke at 26-12.

Four days later Bovey Tracey were our victims with a massive 115-38 win. Top rink this time was Dot Russell, Gina Morfey, Gerry Dommett and Ken Morfey at 36-7.

Wednesday saw County Vice Presidents turn up to play. This organisation is open to all Devon Male bowlers and they travel throughout Devon to raise funds for the County, however Honiton won on all four rinks.

On Sunday the friendly against Sidmouth turned out to be a narrow victory for Honiton of 5 shots, top rink was Liz Fielding, Lindsey Crosthwaite, Mike Critchley

and Tony Broughton with plus 8 shots.

Like all sports matches between local towns and villages these are always competitively fought but in good spirit.

On the Honiton competitive match front we have good and bad news. The Ladies have two sides in the National Mason Trophy. This is a two Rink competition for ladies aged 60 and over.

Friday saw the B side at come second at Exonia. Corinne Galinski, Ann Brown, Berry Maynard and Dulcie Broughton won by three shots but unfortunately the other rink lost by more than that.

On Friday A side were home to the South Hams Club from Kingsbridge. Julie Grants team had finished with a 17 all draw, Ann Hillyear's rink was 3 down going into the last end. Needing a 3 to force an extra end they only managed a 2 so lost the match by 1 shot, most frustrating, so both sides are now out of this competition.

The men, were well beaten by Isca in the first round of the County Inter Club competition however good news was a resounding 35-shot win in the first round of the Denny Plate, against Sidmouth.

ON a cold Sunday morning two AVR ladies ran the Dartmoor Vale Marathon half marathon, with Alanda Vere the first AVR, 334th in 2.31.26 writes *Dave Mutter*. As Alanda lives in Dorset she picked up a very nice and big Devon/Dorset championship medal.

Gill Day was other half marathoner, 339th in 2.35.52, her fifth half in a year. The associated 10k also had two AVR ladies running; Rhea Shave (aka Chip) did amazingly well in her debut race for AVR finishing in 57.15, a fantastic effort to break the one hour barrier. Nicky Knox completed in 1.06.35 and it was really good to see her back running again. There were 390 finishers in the 10K. There was also a Fun Run and young Ethan Day had a go. He ran superbly well, finishing 13th out of 40 in 10.07.

Also on Sunday two AVR runners decided to travel up to north Devon for the "Exmoor Stagger" organised by Minehead Running Club. This is nearly 16 miles of multi-terrain running up to the top of Dunkery Beacon and back to Minehead.

On a beautiful day for running a most enjoyable route, Graham Newton continued to amaze us all by finishing his third competitive race in a superb 2.32.02 and was the 2nd male over 60. The race was won by Kerry Roberts in a time of 2.02.00 with Philippa

Stevens, the first lady home in 2.14.24. Eleanor Wood was 4th lady and 1st vet 50 in 2.33.00, her PB for the course.

AVR's were to be found in Cardiff running the Half Marathon. Luke Reed led them home, 126th out of 8767 runners in 1.22.14. Gary Philips also turned out to finish 436th in 1.29.28, a fine performance after a two month layoff. Chris Keffe continued his up and down season, a bit disappointed to finish 578th in 1.32.09 after a few stomach problems.

Dawn Potter ran well from the start and she kept good pace with her goal time and was absolutely delighted to complete the 13.1 mile course 3035th in a new personal best time of 1.52.27. Dawn's time smashed a full 16 minutes from her PB.

Harry Moore along with Steve and Mike Atkins ran the Half Marathon route of the Sidmouth Saunter, which this year was unusually dry.

They completed in 4 hours 35 mins, which was seven minutes quicker than in 2006. As Harry and Steve were in the first Saunter in 1988 they were presented with special 21st anniversary certificates.

Another AVR Duo, Bernard Fry and Dave Mutter ran the new Honi-Ten 10 mile road race. Bernard, was a very good 14th in 1:10:08, while Dave, completed in 1:27:32.

AXMINSTER INDOOR BOWLS

THE Ladies had an excellent victory at Sidmouth (61-53) with a top rink of Margaret Bartlett, Pam Clark, Lilian Lovett, and Margaret Crompton (28-16).

But this was followed by two mixed friendly home defeats- firstly a tight game against Honiton (53-54) with the best rink being Ossie Eke,Betty Hudson, Jean Kesterton, and Brian Clark (19-14) and then against Dunkswell (47-70) with only Mike Preston, Tim Coldrick, Ann Clayton, and Brian Parsons (23-22) managing a victory. However we then

went on to beat Ottery at home (68-45) with Les Monk, Lilian Lovett, Pam Hunter and Margaret Crompton in top form (36-7) before losing at Sidmouth (49-75). The men's friendly game at home to the Exeter and District Summer League side ended in an excellent 63-52 victory with Les Monk, Brian Downton, Bob Sherborne, and Eric Skeemer (24-11) playing well before losing their first County Over 60s game against Budleigh (74-86) with only David Harris, Philip Stephens, Tony Isted, and Norman Denslow managing a win.

Golf round-up

AXE CLIFF with Helen Gaudie

THE Mens Bowmaker Medal competition was played on Sunday in wonderful autumn sunshine.

In first place with a fantastic 11 under par score of 129 was David Steele, Alan Paul and Matt Yates, second place went to Gerry Binmore, Phil Hellier and Like Snell with 131.

The Ladies played their Daily Mail foursomes competition in glorious sunshine. The winners with a magnificent score of 40 were Chris Drew and Barbara Cummings.

In the Seniors Section the Winter League got under way last Friday. The format is as last year, two ball better ball Stableford over 15 holes and a minimum of nine dates will be set aside for this event between now and March.

On Friday the play commenced in temperate weather but after the first hour the rain arrived and a few starters decided after 12 holes they had had enough. Most completed the round and the best score of the day 37 points came from the last pair out Peter Cartwright (20) and Peter Motson (26). Second with 33 points came Clive Davie (18) and George East (26) and third with 32 points Rob Grove (16) and Bryan Dale (22). Another Peter deserves a special mention. Throughout the summer in partnership with Tony Strong, Peter Knighthing has played in Seniors Opens at Teignmouth, Vivary Park, Oake Manor, Tiverton and Okehampton (in the last mentioned with Gilbert Cox). On all of these occasions Peter and Tony topped the lists of participating Axe Cliff players.

HONITON with Paul Diment

OCTOBER is turning into a busy part of the golfing year, bringing the long summer golfing season to a close, with many of the outstanding competitions coming to their climax in the last two weeks.

The more notable of these is Jan and John Dickinson's sterling performance in lifting the Glanvill Cup. We all recognise John now as he has very effectively transferred the skills learnt from stalking his 200 Club prey in the clubhouse, pink note book in hand, hair flowing out behind him, to the golf course, where he encourages his wife to great golfing heights.

The rearranged Walker Cup was contested by a small but select field. In a very close competition Dot Grove and Richard Pyle scored 41 points to take the Cup by the narrowest of margins -

countback on the last 6 holes from the consistent pairing of Mabs Baker and Paul Hill. For the first time in its 17 year history Pat and Bob Walker could not be there for the presentation. However they did send their regards from their retreat in Spain.

Honiton Golf Club is proud to support the Honiton Carnival each year. A team golf competition is organised and funds are raised to help the Carnival be the spectacle it always is. Due to early morning mist the competition was reduced to 14 holes, but this did not deter the winners Jeff Peace, partnered by brothers Richard and Ed Reece who won by a convincing 3 clear shots. And yes it is true, Richard Whittington did have 2 twos in one round! The Carnival Queen and retinue took time out from their busy schedule to present the prizes and receive a cheque for £150.

The Cross country competition was held in weather conditions more suited to a mountain ramble than fun golf but all enjoyed playing over 16 specially designed holes to a par of 59. The participants were challenged to play over, under, round or through hazards not normally on the golfing line.

Max Pipe confessed that he had been practicing this form of golf every Sunday for the past year and it certainly paid off as he collected the top prize by amassing 40 points, six clear of his nearest rival. Jan Dickinson showed her prowess again in collecting the ladies first prize. It will be interesting to see if playing this form of golf has sharpened up the members recovery game in time for next weeks annual battle between the Devonians and Foreigners.

Mixed Golf

Competitors enjoyed the wonderful autumn sunshine on Tuesday whilst playing the American Foursomes format. The winners with 43 pts were Gerda Brown and Stan Squire. 2nd with 36 pts were Dot Grove and John Frith. 3rd with 35 pts were Olive Pope and John Northover.

Ladies Section

The October Stableford players also enjoyed sunshine but the course was playing long. The Silver Division winner with 34 pts - Diana Gee. 2nd with 33 pts - Mona Carter. Bronze 1 winner with an excellent score of 44 pts and cutting her handicap was Sarah Loder. 2nd Brenda Hyde - 35 pts. 3rd Elizabeth Davies - 34 pts. Bronze 2 winner Susan Hyde 34 pts. 2nd Sharon Dacre 32 pts on c/b from 3rd Lesley Oxenham also 32 pts.

HONITON HAWKS HOCKEY

HHHC 1 Dart Hockey Club 2

FOLLOWING the 2-1 win last weekend against local opposition Sidmouth (when goal scorers were Dawn Mayo and Sophie George with Denise Underhill being voted Player of the Match) Honiton had hoped to capitalise on this result and produce a win this weekend too.

However, it was not to be - although the good spirited match was very evenly balanced, with play moving around the whole pitch giving both players and umpires a considerable amount of exercise! And the final score could have been a draw when Honiton's second goal towards the end of the second half was disallowed as the whistle had just been blown at the very moment Sophie George struck the ball to shoot it over the goal line - a considerable disappointment felt by the home side at that point!

Honiton opened the scoring after a rebound from the goal keeper's pads and subsequent

stick work by both defensive and attacking players in the Dart circle, before Jean Herniman managed to connect with it virtually on the goal line, pushing it over. Not long afterwards it was almost an identical story in the Honiton circle, when a Dart player managed to secure the equaliser.

In the second half the visitors pushed ahead acquiring their second goal, but sadly Honiton could not secure its equaliser despite repeated efforts.

Players of the Match: Sarah Self and Julie Reed

Practices continue with ECVH at Culmpton Sports Centre on Tuesday evenings. Training takes place between 8:00pm - 9:30pm, with transport being arranged from Dowell Street Car Park at 7:30pm. If you would like to come along please turn up at the meeting point. We extend a warm welcome to all players regardless of current skills.

Rugby round-up

THE league season is now some seven weeks old and, as I had duly watched every club in my patch apart from Bridport, I went to the Brewery Field and took in their Dorset & Wilts League Division One (South) game against Warminster.

SIDMOUTH 24pts ST IVES 16pts

THE Sidmouth camp would have probably heaved a collective sigh of relief after this win which, although deserved, does not lift them away from the relegation zone.

The front fives were evenly matched but Sidmouth certainly had the edge in the battles of the back rows. They exerted early pressure and they reaped their reward when Channing kicked a penalty goal after some ten minutes' play to give them the lead.

Play did tend to become a little desultory for a few minutes thereafter, although the home lead was increased, again via Channing's boot around the end of the first quarter.

The visitors came back however and scored a try via their scrum half, after the home defence had been found wanting. The try remained unconverted but they then edged ahead when the same player dropped a goal.

Sidmouth seemingly were looking the likelier outfit outside, with centres Dare and Dixon going well and, although they lost Hannay to the bin just before the break for retaliation, he was accompanied by a visiting player.

Channing kicked the penalty awarded for the original offence and Sidmouth led 9-8 at the halfway stage.

The all important score came early in the second half. A set move from a lineout sent Richardson on a run through the centre. Dixon linked and, when he was checked, Dare was on hand to dive over.

Channing added the extras and Sidmouth led 16-8. St Ives were far from done however and drove and mauled through their pack to good affect. Sidmouth's first up tackling coped however and they kicked and chased well in response.

The sides exchanged penalties on the hour and, with 15 minutes left, Hannay ripped the ball at a maul and, after making good ground, set up Trim who got over in the corner. The try remained unconverted but St Ives were far from done.

They took up residence close to the home line and, after a good break by one of their centres, their scrum half, who had been a thorn in Sidmouth's flesh all game, got over.

The conversion kick, vitally rebounded from an upright and, needing to score twice to win, St Ives could not close the gap further.

Sidmouth should see this win as a first step back. They have games that they could well win over the next few weeks and, if they can do so, their fears will be eased.

SOUTH MOLTON 10pts HONITON 22pts

THIS was overall a pretty even contest, with the home side tending to play their rugby close to the breakdown and Honiton trying to play a wider game whenever possible.

In fact it was the visitors who took the lead after some 20 minutes. Winger Ollie Rice made good ground after a break down the left and, importantly made the ball available when checked. Findlay was well up to recycle and he put Dobson in at the corner.

The try remained unconverted and South Molton drew level with a similar unconverted effort some ten minutes later after they had mauled their way well into the Honiton twenty two and their big ball carrying prop had peeled off and crashed over out wide.

This state of affairs continued until the break, but early in the second half, Honiton suffered a couple of injuries that saw both centres de Large and Hyland leave the field. This caused some reshuffling and the home side took full advantage.

They called a set move at a scrummage close in and their centre got over close to the posts. The kick however was missed but the score gave South Molton a 10-5 lead. Honiton were giving away too many penalties at this stage but had cause to be grateful to winger Rice a few minutes later.

On one of the few occasions that the home side spun the ball wide, he intercepted on halfway, stepped the full back and scored. Nex added the extras and Honiton led 12-10.

Things were still too close for comfort as far as Honiton were concerned, but Nex eased the situation some ten minutes later when, after a bout of pressure, he dropped a goal. This took his side out of penalty goal range and meant that their opponents now had to chase the game.

This try tried to do but fell victim to Rice's second interception of the half. He ran to the posts, beating a couple of defenders en route. Nex converted to take his side clear and Molton could not make inroads in the few minutes that remained, leaving Honiton clear winners after a hard contest.

DEVONPORT SERVICES 2nd 27pts HONITON 2nd 5pts

A YOUNG and inexperienced Honiton side would have learnt much from this encounter in which they competed well.

RUGBY, RUNNING & SKITTLES

with Keith Jenkin

The first half was evenly contested, with the home side taking a three point lead via a penalty goal, and adding an unconverted try to it before the break to lead 8-0 at the halfway stage.

Honiton were defending well against a bigger unit, with hooker Ben Clark doing well at both scrum and lineout. Services did however, increase their lead further with a converted breakaway try early in the second half.

Honiton continued to take the game to their opponents but again paid the penalty when Services scored a second converted try on the counter later in the half. This took the score to 22-0 and the home side completed their scoring with an unconverted effort ten minutes before the end.

Honiton kept going however and, having contributed more to the contest than the score suggests, finished strongly with Dan Garman getting over for an unconverted try at the last by way of consolation.

HONITON JUNIORS

SIDMOUTH U 14s 83pts HONITON U 14s Nil

THE Honiton side were unfortunate to come up against one of the best teams of its age group in the county and, moreover to find it in top form. They never stopped trying but found it difficult to stem the flow of attacks from the first minute until the whistle for no side.

SIDMOUTH U 13s 5pts HONITON U 13s 4pts THE boot was on the other foot here rather, with Honiton running out easy winners thanks to tries by number eight Sean Rich Webb (three), Connor Long (two), Fearn Summers, Matt Broome, Cody Northcott and Finn Parrott.

Harry Wright kick a conversion to complete the scoring in a good all round performance that included runs by Wes Keyword, Richard Webb and Ben Kidson. Sean Summers was named Man of the Match.

HONITON U 11s 7pts BIDEFORD U 11s 35pts

MUCH of this game was far more evenly contested than the score remotely suggests. The home side trailed 7-0 at the halfway stage, and some sloppy tackling let their opponents in for another converted effort just after the restart.

They knuckled down however and reduced the arrears with a try by Luke Chambers, converted by Charlie Wright, after good work by Jacob Chugg-White and the 7-14 scoreline remained until five minutes from no side.

The very useful Bideford side then scored three tries, all of which they converted, to take them well clear.

PREVIEW

SATURDAY next could well be described as a hybrid, for the leagues are in operation in some areas but not in others.

Of the clubs in my "patch" the Chard second and third sides have league commitments, as do both Crewkerne, Honiton and Sidmouth. Bridport firsts, Dorchester firsts and seconds and both Weymouth sides all take part in cup rounds.

A strange old set up really!!!!

SIDMOUTH have a league fixture, and it is a vital one. Having hopefully kick-started their league season on Saturday they now have to do it all again. They travel to fellow strugglers, ST MARY'S OLD BOYS and, if they can win there, it will generate some more belief. Unfortunately the home side will be thinking exactly the same and will certainly be targeting this game as one that will give them their first win of what has been a traumatic season so far.

The facts here are simple. If the Sidmouth side plays to its collective ability, then it will win with a bit to spare. If not, then last week's heroics will have accomplished little.

The season must, in a way, be a rather frustrating one for the HONITON club, owing to the fact that the Devon League North and East contains sides that vary in both ability and commitment.

The Allhallows brigade therefore are finding that, for much of the time that they can win while slowing up and this does not prepare them over well for the occasional hard game that comes their way.

They entertain TOPSHAM on Saturday and, having looked at that side's results so far this season, I feel that complacency will be the home side's main concern.

As to the second sides, Sidmouth take on Crediton at both second and third team level, with both sides playing at home. Their colts side travel to face the same opponents.

Honiton seconds may well be looking for a game in the fixture pool, while their colts travel to Bideford and will be assured of a hard game there.

HONITON RUNNING CLUB

SUNDAY'S first running of the Honi-ton road race and 3k fun run went off smoothly and was a great credit to the organising team led by race manager Ian Jeeves. The autumn sun shone on the athletes as they made their way around the undulating course in ideal conditions which took in Gittisham, Fenny Bridges and Buckerrall before returning to Honiton via Weston. The Turnout of 102 runners was a little disappointing in the main race which clashed with the Exmoor Stagger and the Dartmoor Vale events. This may have affected the quality at the sharp end of the field as the winner, Martin Colwill of Bideford AAS, was probably surprised that his finish time, that just failed to duck under the hour by two seconds, was good enough to lead through the tape. It was a close finish as Owen Evans was just 6 seconds behind at the finish in 60.07 with Chris Miller in third with 61.14. Shona McIntosh may also have been surprised with her win in 65.16 and eighth place overall. Second lady was Jessica Watkins of Sidmouth RC in 71.02 while Rosemary Cullimore of Yeovil Town RRC was third in 73.37. Honiton runners were thin on the ground as they were manning marshall points, but several did put on their racing shoes to test out the new course.

Milan Gok ran a good race and was near the front all the way round and finished in sixth place with 63.06. Gregory Morris only joined Honiton this week but showed that he can run a bit as he came home 20th with 73.52 while young Tom Dunn tried a longer race for the first time and finished in 29th with 75.48. Pippa Westall finished well in 51st place with 80.25 and was escorted around the course by New York Marathon bound Richard Harris who used the race as a final warmup before crossing the Pond. Club Secretary Alan Nicholls had a race of two halves as he found his training limit at five miles but was pleased with a finish time of 81.29 in 55th place.

Nick Thorpe caught Alan at eight miles but couldn't quite snap the string and came in alongside him with the same time.

Laura Pyle had a good run and finished in 67th with a time of 86.47 while Nick Bradley- Carter tried the longer distance for the first time and finished just two places and two seconds behind Laura. Olivia Higginson is another newcomer to the club having been one of this years crop of "Race for Life" trainees. She has graduated well and finished the race in 95th with a time of 96.31 just in front of Bill Garvey who finished gamely in 98th with 1.40.38.

While the majority of the team were at Honiton two prolific Honiton marathoners were at the Dartmoor Vale race.

Heather Foundling Hawker led the ladies field home and was ninth overall in a time 3:07 while Steve Boyes finished third in the 50+ category in 3:37 in 31st place.

Weather Girls shine on

RESULTS, Division One:

Wasps 31 Uplowman 27, Flamingos A 48 Complete Meats 13, Conway Visions 34 Bo Peeps 24.

FLAMINGOS led leading 14-1 at the end of the first quarter against Complete Meats although Sarah Moon was battling at C for meats, by half way Flamingos were 26-4 in front and they dominated the third period to go 37-9 up before ending the game 48-13. Rachel Burrow was the star for Flamingos.

The other game played at Honiton saw Wasps record their first win so far this season. The game started evenly with Wasps just edging in front a position which they kept although Uplowman pushed on by Viv Grant looked like they might just steal a victory. Wasps managed to hold on due to good play from Helen Chester at GK, and at the final whistle came out winners 31-27.

The final game saw

Conway Visions up against Bo-peeps. Visions just shaded the first quarter 7-6 and the game remained just as tight with Bo-peeps still down by one goal at the end of the second 15-14. Pam Taylor at GA and Debbie Wheeler at WD then got Visions moving and they pulled ahead to lead 25-19 at the end of the third quarter. Faye Webb at GA for Bo-peeps tried to spur her team on but Visions were too strong and finished the night on top 34-24.

Division Two

Flamingos B 50 CMC Birds 9, Tip Top Trees Acorns 35 NAS 14, Weather Girls 26 JD Tyres 6.

IT was top verses bottom in Division 2 and Flamingos B continued in their winning ways with a solid win over CMC Birds.

Sophia Brown at GD stood out for Flamingos whilst Jenny Robinson at C for CMC put in a fine performance, but it was always

going to be hard for the Birds who ended up on the wrong end of a 50-9 score line.

Tip Top Trees Acorns were looking to bounce back from defeat against Bampton and did so with a fine win over NAS. The Acorns were in front by 5 at quarter time 7-2. Sara Greene at GD for NAS worked hard for her team and at the end of the second quarter they were behind 7-14 but still on course for a point. However Grace McKay was in superb form at GK for Acorns and then began to edge away from NAS to finish winners 35-14 meaning NAS just missed out on a point.

New to Honiton League this season the Weather Girls are storming up the table and did not take their foot off the gas when they met JD Tyres. Becky Totten worked hard for JD but with Becky Macey at C Weather Girls controlled the game.

EAST DEVON SHORT-MAT BOWLS

With Chris Young

IN the second week of the season some of the travelling teams did get some reward for their journey.

In the Evening League Musbury won a point at Beer with a 53-48 shot margin while in the second division Awliscombe B shared the points at Membury though the hosts enjoyed a 24 shot advantage.

Awliscombe's afternoon B team also drew at Woodbury with identical shot totals. Carrying on their form of last season Beer's afternoon team won their first match of the season, an

away 5-3 result.

Teams taking home advantage were West Hill, 6-2 in the Evening division 1, while in Division 2 Sidford enjoyed an 8-0 85 shot difference victory. Colyton's two games this week both produced a 7-1 win, one in the evening the other in the afternoon.

Other afternoon games saw Seaton Cliff A getting their second victory, this time 6-2 after being two games all at the tea-break, while their B team bounced back from their derby defeat also winning 6-2; Awliscombe's afternoon A team won 7-1.

YOUTH FOOTBALL ROUND-UP

HONITON under 9s were knocked out of the League cup the cup 1-5 at Sidmouth Warriors. Captain Dylan Nicholas was Honiton's Man-of-the-Match. Jake Matthews scored Honiton's only goal with a long range shot.

Danny Ruel delivered another fine performance in defence whilst Kelsey Pulman and Rowan Westall both put in solid displays. None of the players could be faulted for their effort but came up against a well organised side.

Sidbury are in the draw for the next round of the league cup after this victory over a good Crediton side.

Sidbury started very well indeed and when Kieran Murphy and Zac Mattin combined well down the left, the cross into the area was met by Harry Wright who headed United into the lead with just four minutes gone. It was soon 2-0 when Todd Lewendon beat the keeper.

After a blistering 20 minutes when United really should have added more goals, Crediton started to get more and more into the game and created several chances themselves. Defenders Ben Logan, Conor Long, Kieran Murphy and Aaron Pearce coped well at the back.

Half-time came with Utd two up, but Crediton I felt finished the half in the ascendancy so the next goal would be vital and again it was Sidbury who looked the more likely. Zac Mattin, Hamish Culling, Rob Mansfield and Bill Reed done everything which was asked of them in midfield and it was from their pressing which finally led to Harry Wright getting United's third goal.

Jack Murrell and Matt Broom came on in the second half and did well. With just ten minutes remaining Cody Northcott smashed in the fourth from the edge of the box. Crediton pulled one back at the death from a well taken corner, well done to both teams who played in the true spirit of the game.

Special thanks to Ben Kidson and Cody Northcott who both volunteered their services and did very well between the posts, and to referee Rob Thorne officiated the game very well.

St Martins 8 Feniton U11s 1

Two goals were struck by the home side just before the half time whistle. Feniton hit back immediately after the restart with a clever piece of play finished off by George Lloyd.

Plenty of exciting open play followed with St Martins netting a further six goals to knock Feniton out of the cup. The visitors refused to give up and battled until the end.

Well done to joint Star Players for Feniton - goalkeeper Harry Lush and Will Bennett.

Feniton Flames 5 Seaton Town B 1

FENITON Flames welcomed Seaton Town B to Acland Park on another fine autumn morning. Much was anticipated in this game between two closely matched teams. The spectators were not disappointed, with plenty of action from the first whistle.

Henry Mutter's opening goal set a goal tally not representative of the match play, with Seaton narrowly missing after scything through the Feniton defence.

The Flame's Man-of-the-Match, Kyle Hartnell doubled the score with a fine strike, taking the ball from well inside his own half. Mutter further extended the lead, just before striker George Kimber opened his own account as half-time was called. Feniton rang in some changes for the second half, but despite the fresh legs, were unable to hold back a determined Seaton, who managed to grab a couple back before Kimber sealed the game with a goalmouth scramble against a strong defence.

Both the Seaton Town goalkeeper and the Flames own keeper Jack Ellison had excellent games.

Wilmington gymnast is triple European medallist

◆ DOUGLAS Fordyce with partner Edward Upcott and coach Neil Griffiths.

WILMINGTON gymnast Douglas Fordyce (19) and gymnastics partner Edward Upcott (17) triumphed at the European Acrobatic Gymnastics Championships in Portugal last week winning three medals for Great Britain. The boys got through the qualification rounds with ease lying in second place behind the Russian pair going into the finals. Their routine in the balance finals was exciting and cleanly executed and the British pair were delighted to be awarded the bronze medal just behind the Portuguese and Russian pairs in a very tight competition.

In the dynamic finals the Portuguese pair took the lead with a score of 28.10, the Russians had two major errors and scored 28.05 so with the audience behind them the boys took the floor and produced the performance of their lives. The lads and the British supporters, including both sets of parents, waited with baited breath for the score and when 28.35 came up the arena erupted with delight. The win gave them added confidence going into Sunday's overall finals and their combined routine was again performed cleanly and with finesse. A score of 28.25 gave the pair a silver medal overall.

An ecstatic Douglas said, "this is a fabulous result for us and we are so pleased to have won medals in all three finals. Becoming European Dynamic Champions was just amazing - the British supporters were great."
